THE UNRIVALED

ST. LOUIS BEER

Will be served ON DRAUGHT at the

Hawaiian Hotel.

To meet the times and competition, it will be furnished at

12½ cts. Per Glass

We quote from letter of the Anheuser-Busch Brewing Association, dated August 8th:

"Your honorable firm having represented us for so many years we believe it useless to call your attention to the merits of our article, but we should like to repeat again and call your attention to the fact that ours is THE ONLY PURE BARLEY MALT BEER MANUFACTURED, and corn cereals and other adulterants as well as acids, for the preservation of beer, are unknown in our establishment. With the above you may go before the public in our name."

No encomium of ours can add to the high reputation of Anheuser Beer. Its introduction in any and every market makes it an immediate favorite. It stands without a peer, without a rival, without even a competitor. It received the highest awards at the Columbian Exposition. The reduction of the draught Beer to the prevailing price of

12½ CENTS PER GLASS,

places it within the reach of all, and he is a wise man who gets the best quality for the least money.

DREADFUL STATE OF AFFAIRS IN THE SPANISH ISLANDS.

Brief European Notes—Many Oriental

A round-the-world deadbeat, who left Paris on February 2, "with three cents in his pocket in consequence of a bet," is promoting his journey at Yokohama by lecturing on Siberia, the last country he worked his way over, and selling books of himself and another.

Notice is given by British Minister Ernest Satow at Tokio that he has received a communication from the Japanese Minister for Foreign Affairs stating that the medical inspection enforced since May last, at the ports of Yokohama, Kobe, Nagasaki, Kuchinotsu, Shimonoseki and Moji in the case of all vessels arriving from Hongkong and ports in China and Formosa and the Pescadores, are discontinued from September 30,

Death to the Spaniards!
Death to the Chinese!
Death to the Priests!

Five hundred Chinese returned from Manila yesterday and gave such a horrifying account of the situation that hundreds of Chinese who were leaving for Manila, and many of whom had taken their passages, quietly disappeared, and the steamer left without a single Chinese passenger. The situation in Manila is decidedly critical, and the Commander of H. M. S. Redpole has been requested by the authorities not to allow his men to land at night.

SHARPSHOOTERS SHOOT

JAMES L. McLEAN MAKES A PRELIMINARY SCORE.

C. J. Wall and Fred Damon Distinguish Themselves While Capt. Dodge and Tommy King Fall Down.

Quite a number of people went out to Kakaako butts on Saturday afternoon to witness the picked team of ten men from the Sharpshooters' Company show their skill in the match against the Denver riflemen. The total score made was 865, which was just a shade under what was prognosticated in Saturday's BULLETIN.

J. L. McLean captured the honors of the shoot by a splendid score of 94 out of a possible 100. C. J. Wall and Fred Damon were next with scores of 90 each. Drummond's score of 85 was a good one as it included a 2 caused by an accident. Both Captain Dodge and Tom King fell below their usual average.

Following is the complete score:

DEPARTURE OF THE TROOP.

The Six Men Refusing Duty to be Starved into Submission.

The second mate and cook of the ship Troop returned to duty immediately after Judge de la Vergne's decision on Saturday, the \$5 fine of the cook being paid by Captain Fritz. The six sailors who were detained in the police station for refusing duty were taken on board in irons on Saturday afternoon and confined under the forecabin head, a force of police under Captains Renken and Evans guarding them. At 4 o'clock the tug Eleu came alongside and towed the ship to a good anchorage off Waikiki, where she will remain until all her sails are bent and other necessary work done which the action of the crew has delayed. The six men who refused duty will be confined in irons in different portions of the ship and kept on bread and water until they return to duty. Vice-consul T. R. Walker has devoted a good deal of time to the troubles on board this ship and this course was finally decided on after the trial of the second mate and others in the District Court.

This morning the captain paid off the second mate, which will probably end the trouble.

Card of Thanks.

The mother and brothers of the late Captain Alex. McGregor desire to thank all the kind friends who showed their sympathy toward them in their bereavement, in various ways, and the members of the Masonic fraternity for their attentions and large attendance at the funeral.

THE FOOTBALL TEAMS.

Everything is Settled for a Season of Three Games.

A number of football enthusiasts were present at the meeting at Y. M. C. A. hall on Saturday evening last to make arrangements for the coming season. After some preliminary talk the following articles of agreement were signed by the respective managers:

Article I. The first of the series of games shall be played (as per previous agreement) on the 14th day of November, and shall be between the Town team and the First Regiments. The next game shall be played on the 21st of November, and shall be between the Oahu College team and the team that is defeated on the 14th. The next game shall be played on Thanksgiving day and shall be between the winning team of the 14th and the winning team of the 21st.

Article II. The manager of each team shall furnish to each of the other managers a list of 17 men, who shall compose the teams, and such lists shall be sent to such managers the day of the first game. No man not in these lists shall play in the games, and no one on any list shall play on any other team than the team in which he is listed.

Article III. The game shall be played under the Inter-Collegiate rules for 1896.

Article IV. The three managers shall constitute a committee for the purpose of arranging for grounds, referee, umpire, linemen, etc.

Article V. Mr. J. Q. Wood shall be official treasurer for the three teams, and shall have entire charge of money received at games. He shall pay the expenses of each game and divide the balance according to agreement.

It was decided that the winning club should receive two thirds and the losing club one third of the gate receipts after deducting expenses.

Death of Miss Lyle.

At a few minutes before midnight of Saturday, Miss Deborah N. Lyle breathed her last, at the early age of 22 years, after an illness of about two years which she bore with remarkable fortitude. She was the youngest daughter of Mr. and Mrs. James Lyle. A cold settling on the lungs some time after her powers of resistance had been weakened by a carriage accident brought on a decline that the best medical skill and several changes of air were unavailing to counteract. Miss Lyle was a favorite of her family and had a large circle of friends. Before her illness she was a member of Central Union Church choir, being sometimes selected by the leader as soloist in Sunday evening praise services. She was one of the chorus in the "Mikado" some years ago. The funeral takes place at 3:30 this afternoon from the family residence on Spencer street, Rev. D. P. Birnie conducting the services. Interment will be in Makiki cemetery and H. H. Williams is the undertaker in charge. The pall-bearers, selected from Miss Lyle's school-mates at Oahu College, are Henry Giles, Norman Hulstead, Olaf Sorenson, F. V. Thrum, George Angus and Ed. Mossman. Many friends visited the house of mourning yesterday to offer their sympathy to Mr. and Mrs. Lyle and family.

Captain McGregor's Funeral.

The funeral of the late Captain McGregor was conducted yesterday afternoon by Hawaiian Lodge No. 21, F. & A. M., according to the Masonic ritual, under the direction of Worthy Master M. E. Grossman, assisted by Worthy Masters Cooper of Pacific Lodge and Norton of Lodge Le Progress. The pall-bearers were Captains King, Campbell and Gregory and Messrs. G. P. Wilder, Wallace and Sutherland. The remains were interred in the Nuuanu cemetery in the plot owned by Hawaiian Lodge.
